A NOTE FROM PASTOR NUTALL

Greetings New Bethel Family and Friends!

As we look back on 2024 and press forward into 2025, I am reminded of our church's vision: **Reclaiming the power of the first-century church for the 21st century.** In the book of Acts, we see an early church marked by prayer, unity, and evangelistic zeal. I am overjoyed to share how that same life-giving Spirit has been at work in our midst, igniting our ministries, fueling our growth, and transforming hearts in remarkable ways.

What God is doing among us is remarkable. Throughout 2024, under the theme Pursuing Kingdom Possibilities, God blessed us with unparalleled membership growth, strengthened our financial resources, and—most importantly—deepened our spiritual vibrancy. Like the early believers, we have felt the powerful and unifying presence of the Holy Spirit guiding us to new levels of faith and service.

As we move into 2025, we carry this passion into our new theme of Missional Momentum. As we lean into our four cornerstone focus areas – **Leading, Feeding, Seeding, and Weeding** – I expect an even greater pouring of the Holy Spirit upon our church. This is why I expect 500 new believers and followers of Jesus to become part of the New Bethel community. We are equipping one another to point people to Jesus and to nourish our church with spiritual truth. We are sowing acts of kindness and compassion that draw hearts closer to Christ, and we are cultivating the growth of disciples through intentional preparation and development.

Clearly, the world and our country are facing realities like never before. But these are the conditions that give way to revival. And we are seeing it in our midst. Each step we take, each ministry we launch, and each life we touch bears testimony to the empowering Spirit that worked in the first-century believers and continues to move powerfully among us today. I invite you to explore this report with gratitude for all that God has done and with renewed excitement for what God has in store for New Bethel.

The wind is at our backs. We have momentum. May our efforts and prayers in 2025 reflect our steadfast commitment to Reclaiming the power of the first-century church for the 21st-century.

With gratitude and expectancy,

Reverend Dexter U. Nutall, Pastor
